

# Discussion on dissemination

**WASABY - Water And Soil  
contamination and  
Awareness on Breast cancer  
risk in Young women**

***Milan, 19.02.2018***

---

## Discussion points

- Web site
- Logo
- Leaflet
- Connection among WPs for dissemination and courses

# For the Consortium agreement

## **WASABY working group**

- All publications performed in the WASABY context must mention the WASABY Working Group. A suitable authorship formula being: Authors A, B, C, ... and the WASABY Working Group, with all members listed in a footnote or appendix to the article.
- The WASABY Working Group will be realized with these members:
- All members of the Steering Committee (SC)
- All members of the Management support team (MST)
- Up to two members of each Party (in addition to those in the SC and MST)
- Up to two members of each Cancer Registry participating in WASABY
- All members actively participating in the groups on WP5, WP6 and WP7
- Up to one member for each participating area working in WP4 geocoding activities (not included in the previous points)
